

Catholic Schools Week will be January 27th thru February 1st. The theme this year is “Catholic Schools - Learn, Serve, Lead, Succeed.” NJHS is sponsoring a school wide service project to create birthday bags for the F.I.S.H. food pantry. Students will be making birthday cards and decorating the birthday bags during art classes. The birthday bags will be filled and delivered the following week. **Each grade** has been assigned a special part for this project. If everyone participates we hope to be able to make some birthdays a little more special for people that visit the food pantry. Please check below to see what your child is being asked to donate for this project. NJHS will be collecting the requested items from the classrooms and assembling the birthday bags during Catholic Schools Week. **Please send these items to school as soon as possible.**
